The Annual Meeting of the Association is held in Centre Sheraton Hotel, Montreal, on Monday, May 16, 2022.

It is opened by the President, Prof. Elisabeth Badens, at 5:30pm. She welcomed the participants. After counting the number of absentees represented by participants, the President declares that the *quorum* is met and that the Assembly can be held according to the Society statutes.

The discussion is opened according to the agenda:

1/ Ph. D. ISASF Award 2021

Dr Christelle CRAMPON has chaired the jury for the selection of the best Ph.D. ISASF award, for the Ph.D. works defended in 2021. The Jury was composed of: Cyril Aymonier (France), Monotobu Goto (Japan), Jose Del Valle (Chile), Soraya Rodriguez-Rojo (Spain).

Seven candidates from Italy, Spain, France, Canada and Columbia applied.

It has been decided that the name of the laureate was kept secret until the closing session of the meeting where the award will be delivered (May 18th).

2/ Upcoming Meetings

The President announces that the **19th European Meeting on Supercritical Fluids** will be held in Budapest (Hungary) from the 21st-24th May 2023 or 14th May-17th May 2023. The chairwoman is Edit Szekely, from Budapest University of Technology and Economics (BME), and the meeting will be organized jointly with the Hungarian Chemical Society.

A call for application is launched to organize the **20th European Meeting on Supercritical Fluids in 2024**.

Prof Jaehoon Kim, from Seoul National University, proposes to chair the **14th International Symposium on Supercritical Fluids** and presents two possible locations for this meeting to be held in 2025. The first one is Big Island, Hawaii, and the second option is Bali, Indonesia.

A call for application is launched to organize the 20th European Meeting on Supercritical Fluids.

3/ ISASF President renewal

Pr Elisabeth Badens, president of ISASF since May 2014, announces her wish not to renew her mandate as President. She acknowledges the community and particularly Karine Seaudeau from IFS, for her great help for the administrative management of the Society.

The treasurer takes over to warmly thank Prof Badens for her investment in ISASF and announces that Prof Feral Temelli from University of Alberta, Canada, is candidate to become the next President.

The proposal is put to vote to the members of ISASF, and receives a unanimous favorable opinion. It is therefore agreed that Professor Feral Temelli is the next President of the International Society for the Advancement of Supercritical Fluids.

Prof Temelli thanks the assembly.

It is announced that vice-presidents and secretary will be renewed in the next assembly to be held before the end of the year 2022. Financial results for year 2021 will also be presented during the next meeting.

4/ Miscellaneous

The treasurer asks for any questions and comments, and finally closes the Assembly at 6:30PM.

Signed by:

Séverine CAMY
